

# Stay Home, Stay Safe

at Beacon Hill at Eastgate

**Any staff** that can work from home, like our finance and administrative departments, we've asked to work at home. We are also keeping our admin office on restricted access. If there are any resident concerns for the administration such as billing or policy and practices of community, please raise concerns to your resident council member or visit our concierge desk.

**Visitors**, we kindly ask that you limit your visitation to the following:

- Delivery of groceries
- Delivery of prescriptions
- Support with personal care

What does the new executive order mean for me, as a **Beacon Hill Independent Living resident**? You may:

- Go to the grocery store or pick up take-out food.
- Go to the pharmacy to pick up a needed prescription.
- Engage in outdoor activities like walking, hiking, running, biking.
- Go to the hospital or secure any care necessary to address a medical emergency or to preserve your health or the health of a loved one.
- Fill your car with gas.
- Return to Michigan to a home or place of residence from outside the State.
- Leave the State for a home or residence elsewhere.
- Walk your pets and take them to the veterinarian for needed medical care.

Information around this outbreak is changing rapidly. **For any questions or concerns, please call our COVID-19 hotline at: (616) 734-9544**
