

Visitor Agreement for 1845 Boston St SE

Under the current executive orders that are set to protect residents and healthcare workers, Beacon Hill at Eastgate is deemed a residential/nursing care facility. This means that only essential personnel are permitted to enter the building. We are holding each resident AND visitor responsible for following the Beacon Hill visitation guidelines. Please sign this agreement if you wish to participate in visits.

I, _____, visitor of a Beacon Hill Resident agree that I will abide by the visitation guidelines set forth below. I'm aware that the visit will be stopped immediately and future visits will be prohibited, if I fail to comply with these guidelines. I agree to the following:

- I will not enter the facility.
- I will schedule my 30-minute visit one week in advance and will arrive for scheduled visits only.
- Visits are limited to two persons or fewer.
- Visits must occur in designated areas.
- I will wear a face covering for the duration of the visit and follow hand hygiene requirements.
- I will complete COVID-19 screening upon arrival.
- I will notify Beacon Hill staff if I develop symptoms consistent with COVID-19 within 14 days after my visit.
- I will follow social distancing requirements (6 feet distance) and refrain from any physical contact with residents or employees.
- I will not bring food to share during the visit.
- Pets are not permitted.
- Visits will be monitored from a safe and an appropriate distance by an employee or volunteer.

It is critical that you comply with these guidelines. By signing this agreement you agree to adhere to these precautions.

I, _____, attest that I will notify the Beacon Hill COVID Hotline if I develop symptoms within 14 days from my visit.
